Walled Lake, MI 48390

Dear Andrew Androff:

On behalf of Equality Michigan and the Motor City Pride Planning Committee, we would like to thank you for exhibiting at Motor City Pride. The information that Professional Movers.com provided our patrons contributed to the success of this fabulous event. Through the creativity of the wonderful items that you had to offer, along with the energetic personalities that you displayed, we were able to accomplish the goal of having a successful Motor City Pride 2010. Pride guests were extremely pleased with the large assortment of companies and organizations that participated. We sincerely hope that you enjoyed your time and experience with us and that you will continue to become a vendor/exhibitor for future Pride events.

In addition to being a vendor for Motor City Pride 2010, we will be posting a complete list of the vendors/exhibitors who participated in this amazing event via our website [www.motorcitypride.com](http://www.motorcitypride.com). Listed below is the information that will be found with your listing and if there are any changes, please feel free to fax this page back to Holden Alee at 313-537-3379 with any changes noted. Once again, Thank You and we look forward to working with you again!

Thanks for all of your time and support!

Holden Alee  
Exhibit Coordinator  
Motor City Pride 2010
